Training camp in Mallorca

With a trip to Mallorca you get a unique opportunity to become a super cyclist, learn a lot of techniques and at the same time experience what it's like to cycle several days in a row. The tour will give you plenty of training kilometers early in the season, in an amazing environment. Here you can give it a shot in the mountains, in a safe and secure way, with several Team Rynkeby guides managing the rides.

If you want an unforgettable training camp, in the company of other Team Rynkeby cyclists, scan the code below:
